RE: Request for new Counsel  
Case No. 06-23-1-KAJ

Dear Honorable Judge Jordan,  
<sup>18 scanned</sup>

This letter pertains to case  
06-23-1-KAJ. I am currently  
being held over at the Federal Detention  
Center in Philadelphia PA under  
a 100 month sentence. My case is  
currently in the appeal process.

I am requesting that a new  
public defender be appointed to my  
case. I feel that my current  
public defender, James Haley, did not  
represent and also misled me  
throughout my court process which  
led to my conviction of 100 months  
incarcerated. As currently stated  
in my PSI report, I can not  
afford legal counsel, due to the fact  
I am currently incarcerated and  
my only family member is my

Fiancee, Joseph Eisenhower, who is a single father and can not carry this financial burden. I fully believe that with a newly qualified appointed public defender or private attorney my appeal will be successful.

If the Courts doesn't accept my request for new legal representation, I am requesting my motion for an appeal bail be granted in order to carry the financial burden in retaining a qualified private attorney.

If bail is granted during this appeal, I am willing to accept all terms and conditions required for release as previously accepted prior to my current sentence.

Thank you in advance for your consideration in this matter.

Sincerely,  
Nicole Spunel
